SUMMARY

UI/UX Designer with expertise in creating seamless, scalable, and user-centered experiences. Background in design systems, prototyping, and accessibility standards. Focused on delivering high-quality digital products that align with user needs and business goals.

PROFESSIONAL EXPERIENCE

Product Designer

May 2024 - Jan 2025

InProp – Berlin, Germany

As the sole designer, I managed the entire design process from start to finish, ensuring a seamless and scalable user experience. My key responsibilities included:

- Led the design process, including branding, concept development, and prototyping, to create user-centered solutions.
- Designed a comprehensive brand identity, including logo design and visual style guidelines, to ensure a cohesive product appearance.
- Created a design system to ensure scalability and consistency.
- Collaborated with stakeholders to design intuitive user flows and wireframes, resulting in an optimized and seamless user experience.

UI/UX Designer (Intern)

Jan 2024 - April 2024

Aakruti Design Studio – Remote

- Designed user-centered mobile app interfaces for a travel application, focusing on seamless, intuitive user experiences.
- Created a design system to ensure visual consistency and improve collaboration with developers.
- Built interactive prototypes to enhance user engagement and provide smooth, intuitive interactions.
- Designed high-fidelity prototypes to illustrate motion interactions, improving user engagement.

SKILLS

User Research
User Flow & Sitemaps
Prototypes
Design Systems & Branding

Wireframes
