## EXPERIENCE

### UI/UX Designer (Intern)

Aakruti Design studio | Jan 2024 - Present | Remote

Currently designing user-centered web and mobile applications in TravelTech. I collaborate closely with teams to create user interaction flows, prototypes, and motion graphic designs. My expertise in user-centered design and UI/UX tools ensures exceptional designs.

### Web Developer

LoanOnMind | Jan 2019 - April 2020 | Hyderabad, India

Developed dynamic web app showcasing services, ensured cross-browser compatibility, increased traffic by 50%, and recommended user-friendly interface solutions.

### Associate Analyst (Contract)

Google | Dec 2017 - May 2018 | Hyderabad, India

Supervised analysts, served as module lead for projects. Developed, documented, revised design procedures, quality standards, and consulted with project management for system processes agreement.

### Entrepreneur

Uma's Boutique | Dec 2016 - Present | Hyderabad, India

Founded Uma's boutique designing bespoke Indian dresses with skilled team. Researched market competition, attended events, provided great customer service resulting in high retention rate.

## EDUCATION

### User-Centered Design Program

Redi School | Mar 2023 - Aug 2023 | Berlin, Germany

Completed a design program focused on user-centred design principles and practices for creating effective and engaging digital products.

### User Experience Design Program

TechLabs | Nov 2022 - Apr 2023 | Berlin, Germany

A 6-month design program, gaining skills in all aspects of web & mobile app design and delivering two successful projects.

### Bachelor in Electronics & Communication Engineering

Vignan Institute of Technology & Engineering | 2012 - 2016 | Hyderabad, India

## BERUFSERFAHRUNG

### UI/UX Designer (Intern)

Aakruti Design studio | Jan 2024 - Heute | Remote

Derzeit entwerfe ich nutzerzentrierte Web- und Mobilanwendungen im Bereich TravelTech. Ich arbeite eng mit Teams zusammen, um User Interaction Flows, Prototypen und Motion Graphic Designs zu erstellen. Meine Expertise in nutzerzentriertem Design und UI/UX-Tools garantiert außergewöhnliche Designs.

### Web Developer

LoanOnMind | Jan 2019 - April 2020 | Hyderabad, Indien  
Entwicklung einer dynamischen Web-App zur Präsentation von Dienstleistungen, Gewährleistung Cross-Browser-Kompatibilität, steigerte den Traffic um 50% und empfahl benutzerfreundliche Schnittstellenlösungen.

### Associate Analyst (Contract)

Google | Dec 2017 - May 2018 | Hyderabad, India

Supervised analysts, served as module lead for projects. Developed, documented, revised design procedures, quality standards, and consulted with project management for system processes agreement.

### Entrepreneur

Uma's Boutique | Dec 2016 - Heute | Hyderabad, Indien

Gründung von Uma's Boutique, die mit einem erfahrenen Team indische Kleider nach Maß entwirft. Erforschte die Konkurrenz auf dem Markt, nahm an Veranstaltungen teil und bot einen hervorragenden Kundenservice, was zu einer hohen Kundenbindung führte.

## AUSBILDUNG

### User-Centered Design Course

Redi School | Mar 2023 - August 2023 | Berlin

### User Experience Design Program

TechLabs | Nov 2022 - Apr 2023 | Berlin

### Bachelor in Elektronik und Kommunikationstechnik

Vignan Institute of Technology & Engineering | 2012 - 2016 | Hyderabad, Indien
